The DIMMER VIEW

by Max Goodwin

Students DO Have Rights.

Self-immolation, long practiced in the Orient, recently made its appearance on a San Diego campus.

The misguided youth who took his life would be appalled if he could return and learn how wasteful the effort was. His death changed nothing politically. It sorely injured his family, his friends and the college which sought to educate him.

Self-immolation is as futile as it is sinful.

It is all the more sinful because the sacrifice is usually made for a philosophy that is oversold by a person or persons who obviously have lesser belief. Otherwise the originators of the philosophy would make the burning a joint project and all hold hands and go together.

Not one college campus activist has ever announced that he was contrite for a demonstration or a riot that caused injury or death—a demonstration that he was responsible for.

The least the sponsors of far-out philosophies could do would be to start a self-immolation fund. They could supply kerosene and matches without charge to those who unreservedly buy their philosophies.

Contributions could be in the form of a barrel of flammable material or a carton of matches.

Cash, when received, should be set aside by buy little, wooden, charred crosses, so that testimony would forever show that an otherwise intelligent American youth had succumbed to the blandishments of one of the myriad dingalings that have come to infest our campuses.

Into this welter of idiocy some sanity has crept. Big John Stull, a California Assemblyman and a good American, has developed a 10-point Bill of Rights for students.

Stull heard the State Legislature give unanimous approval to his Bill which declared that the majority of "dedicated young people in our colleges and universities have had their basic student rights abrogated and have been forced to operate in an atmosphere of planned radicalization."

Stull said that certain rights are "basic in acquiring a rational education, conducted with dignity in a mature atmosphere that are the cornerstones on which to base academic responsibility."

The Rights:

1. Students have the right to as much personal attention as possible.
2. Students have the right to objective teaching.
3. Students have the right to instruction from those best qualified to give it, with emphasis put on the students' needs.
4. Students have the right to objective grading and advancement without regard to political belief or affiliation.
5. Students have the right to orderly classes.
6. Students have the right to hear all sides in major campus controversies.
7. Students have the right to attend a state college or university without fear of intimidation, coercion, or threats from any source.
8. Students have the right of assurance that they will not be used as pawns in an ideological power grab.
9. Students have the right, if they so choose, to simply be students with no forced commitment in any direction.
10. Students have the right to administrations with a priority commitment to the just needs of all the students.

Stull will be in the area Friday and Saturday. Friday he will attend the S.D. County Republican Central Committee fund-raising dinner at the Town & Country Convention Center at 7 p.m.

He will attend the 58th Annual Installation dinner of the La Mesa Chamber of Commerce at Grossmont Gardens at 7 p.m. the following night.

L.G. Rotary Club To Install Lyle Stumbaugh as President

Lyle Stumbaugh, a certified public accountant, of 8371 Adams Ave., will be installed Saturday as president of the Lemon Grove Rotary club. He succeeds Tom Clayton.

The ceremony will be at Hanalei hotel on Mission Valley Hotel Circle. More than 75 members and guests are expected. Cocktail hour is 6 p.m. Dinner is at 7.

The club, which meets on

Mondays at the L.G. Bowlero, heard San Diego Mayor Frank Curran discuss some of the problems the City faces. He complained that the City's recent youth employment program was disappointing. Too few job opportunities were volunteered by industry, he said. Now we face the problem of using a sizable federal grant for transporting youths to non-existing jobs.

"We hope Washington will release these funds for transporting youngsters to parks or beaches or anywhere their energy can be absorbed," he said. Curran said failure to provide jobs as promised can widen the breach of believability between youth and the City. The summer may not be long and hot but it will be warm, he added.

Curran returned from a youth employment conference in Washington earlier this month where he met with President Nixon and Vice President Agnew.

Class Holds Luau To End School Year

Mr. Marian Grant's afternoon kindergarten class at Bancroft School has completed a three-week unit on the differences between the continental U. S. and Hawaii, the 50th state.

FOUR YEARS after entering high school, Graduation was held Thursday at Miguel, Candy O'Brien, of Mount Miguel, receives her diploma in ceremonies at the school. Monte Vista, and Helix.

Board Passes Preliminary Budget Monday

The Lemon Grove School Board of Trustees met Monday evening and approved the preliminary budget, capping several months' work.

The budget includes moderate increases in salaries for teachers and classified employees in the district, more funds for special projects along with allowances for other items.

The final budget will be worked on and studied in the next few sessions, so that it will be ready for approval before August 7.

In other action, the board discussed the change in boundaries for the Mount Vernon School. The boundaries have been changed to eliminate overcrowding.

Approved at the meeting was the authorization to submit the Title I application for the ESEA program in the district, along with an increase in salaries for summer school employees.

Course Offered At Southwestern

A special open-end course in Private Pilot Ground School will be offered at Southwestern College this summer. The class will meet Mondays, Wednesdays and Thursdays from 6:30 to 9:30 p.m. in Room 541. It is designed specifically for student pilots who are working toward their private pilot license.

The course is ungraded, and will be continuous. Students may enroll simply by attending one of the classes and continuing until the student passes the private pilot examination. Text for the course is Zweng's "The New Private Pilot."

The course is offered free of charge which enables students to save on instructional costs and divert the savings to flying time.

Instructor for the course will be Harry Vilott, who is a FAA approved Ground School Instructor.

Private Pilot ground school tests cover five categories: Aerodynamics and Flight Theory, Federal Aviation Regulations, Meteorology, Navigation and Radio, General Services, and Safety Practices. Care of aircraft, engines and flight safety are also taught.

319 Beds Scheduled For Nearby Hospital

Hospital facilities will be more plentiful for area residents soon.

Officials of National Medical Enterprises announced here last week that ground will be broken in August for the first stage of a 319-bed privately-financed general hospital on Interstate 5, just east of San Diego State college.

The hospital, part of Alvarado Medical Center, will be added to a 309-bed convalescent and rehabilitation facility now in operation there.

The first increment of the new hospital will be for 175 beds, according to Richard K.

S.V. Man Tapped As Ad Agency Vp

SAN DIEGO — Roy E. Simon, of 9680 Vista del Sol, Spring Valley, has been appointed vice president-media of Barnes-Champ Advertising, it was announced.

Simon joined the agency in 1960 as an account executive from the Campbell-Mithun agency in Chicago, where he was merchandising director and an account executive. He was promoted to vice president of Barnes-Champ in 1967. Simon currently supervises the Pepsi-Cola account and is an account executive for Westgate-California Foods.

He is a past president of the San Diego Advertising and Sales Club and is a direct lieutenant governor of the American Advertising Federation.

Funds Sought For Fireworks

The La Mesa Chamber of Commerce is still seeking donations toward the \$2,000 fireworks display scheduled for July 4th.

Richard Cosgriff, Heartland Fireworks Committee Chairman, reports that donations have been received from the Soroptimists, Kiwanians, Foothills Art Association and the Mt. Helix Toastmasters Club. Contributions may be left at the La Mesa Fire Station or the Chamber of Commerce, 8155 University Ave.

The aerial display will begin at 9 p.m. and will be visible in the Lemon Grove and Spring Valley areas.

Eamer, president of National Medical. He announced the plans at a luncheon meeting for physicians and civic leaders at Town & Country hotel.

The ultimate cost of the Alvarado complex is \$17 million. The hospital itself will cost an estimated \$7.4 millions.

The hospital will contain 169,000 square feet of space and is scheduled to be completed by early 1972.

The building will be six stories high and will house 144 beds. The two top floors will be shells to be used for additional rooms if the need occurs.

National Medical is a Beverly Hills-based firm. Part of the success of NME has been the streamlining and modernizing hospital housekeeping costs through new techniques and labor-saving devices.

Because of this, proprietary hospitals, such as Alvarado, are required to spend less than non-profit hospitals, Eamer said.

Medical care at both types of hospital are of equal quality, he said.

"Unless costs can be adjusted, millions of Americans will not be able to acquire quality medical care," Eamer added.

Area Students Win Free Rides To UC Davis

A student from Lemon Grove, and one from La Mesa, have received scholarships to begin studies this fall at the University of California, Davis.

The recipients are:

Stephen A. Winterrowd, son of Mr. and Mrs. Glenn E. Winterrowd of 7130 Waite Dr., Lemon Grove, and a graduate of Monte Vista High School. He also has attended San Diego State College and has received a Henry W. Seae Scholarship to major at Davis in renewable natural resources.

Roger D. Meyerhoff, son of Mr. and Mrs. Francis Meyerhoff of 4552 Dana Dr., La Mesa and a graduate of Helix High School. He will major at Davis in wildlife management and receives Robert K. Malcolm and Cal Aggie Alumni Association scholarships.

Community Plan Executives To Be Named at Tuesday Meet

by Max Goodwin

When the Lemon Grove Planning Committee is formed Tuesday night, a uniquely democratic guideline will be employed. Everyone who wants may become a member of the executive committee.

The meeting, called by County Planning Department for 7:30 p.m. at the auditorium of Mt. Miguel High school, is for the first step of producing a community development plan and for the setting of boundaries for it.

According to Robert Kelsay, chief, Community Planning Division, 10,000 letters were mailed to property owners in the Lemon Grove area this week advising of the meeting.

He said that about eight percent of the total property owners usually respond to the invitation. By that measurement, about 800 persons will attend Tuesday night's meeting.

Kelsay said that the formation program was reached at an October meeting. This meeting was presided over by local citizens. From now on, he said, county representatives will preside.

The Tuesday meeting was officially ordered by the County Board of Supervisors. Vol-

unteers to the executive board Tuesday night will prepare a plan that represents the wishes of the community.

Primarily, public facilities such as roads, schools, parks, and utilities will hold the attention of the group.

The local Planning Committee will first be required to be officially recognized by the Board of Supervisors before the Planning Department performs any work. This situation is expected to be routine.

Any plan for the community must be prepared by the local committee and not the Planning Department. However, Planning will be advisors.

Membership to the executive committee must be open to all persons residing in, having a business in, or owning property in Lemon Grove.

The Executive Committee will act as liaison with the County Planning Department staff and the overall Lemon Grove Planning Committee.

Kelsay said that the starting executive committee usually has about 150 volunteers. One-fourth of these fail to show up for the next meeting, and another quarter drops when members learn that the committee must work hard and sincerely.

The remaining group usually does most of the work, Kelsay said. This work may take a year or more, depending on the complexities of the program.

The Tuesday meeting is expected to last about two hours with an additional half-hour or so for charging those who remain to serve on the executive committee, Kelsay said.

Grove Man Fathers Parade For July 4 Celebration

There'll be a patriotic parade in San Diego on the Fourth of July and it'll be the result of effort and an idea by a Lemon Grove man.

The man, John W. Rue, of 7839 Longdale Dr., a 23-year old veteran of Vietnam, said this week that the parade will start at the organ pavillion in Balboa at 10 a.m. on Independence Day.

The parade is sponsored by PACA, Proud American Citizens Association.

Rue said he became tired of disrespect for the flag, violent protesting and campus rioting. His wife admonished him to "stop complaining and do something." He did. He started PACA.

"Then we learned there a lot more patriotic people than we first thought," Rue said.

"There are many people who feel strongly against the

violence that is being publicized almost daily."

Rue said PACA took form after he talked to friends, neighbors and students at Mesa College. "We set our objectives on construction rather than destruction," he said.

Rue said that citizens should not be trapped into embarking on a path of destruction for the country just because there are a few faults. "We must work together to prevent this," he said.

Proud American Citizens Association may be contacted at P.O. Box 415, Lemon Grove, CA 92045.

Unification Report Ready For Tonight

A progress report on a unification study of the Grossmont High School District has been set for tonight at 7:30 at the Ballantyne School in El Cajon.

The report will be given by Dr. M. Ted Dixon, Superintendent of Schools, San Diego County.

Representatives from several school districts had requested the County Board of Education to conduct studies of school district organization leading to possible alternatives to the "one district" unification plan. These districts are Alpine Union, Cajon Valley Union, Lakeside Union, Santee, and La Mesa-Spring Valley school districts. The Grossmont Union High School District has requested consideration be given to the unification of the entire Grossmont Union High School District area.

Representatives from all school districts in the Grossmont area are urged to attend this meeting.

Mobilehome Center Is State's Biggest

Opening of a mobilehome center at 1635 Broadway in El Cajon, brought to three the number of sales sites of the Caster Mobilehome Sales Corp.

The newest one is a showplace for 40 units selling for an average of \$15,000 each, including the cost of the land, according to Terrence R. Caster, developer.

The other two sites are in Chula Vista — 3½ acres — and Escondido — 2½ acres.

The operation in El Cajon is scheduled to move 400 units annually, according to Caster. He said the total sales of the three would make the operation the largest in the state according to Department of Motor Vehicles records.

Caster said the corporation would make a public stock offering in 1971.

Lyon Named New Manager For PacTel

LA MESA — Al Lyon has been named by Pacific Telephone as commercial manager for the La Mesa exchange. The exchange serves phone users in the Lemon Grove and Spring Valley areas. Mrs. Nell Finnegan has been transferred to the company's headquarters building in San Diego where she will work on the personnel assessment review staff. The change takes effect July 1.

Al Lyon

Lyon, a 30-year-old former Marine captain, has recently been serving as acting manager in La Jolla but before that was assistant manager in La Mesa.

Lyon joined the telephone company two years after being mustered out of the Marine Corps. While a Marine, he was a company commander in Vietnam where he was awarded the Purple Heart on three separate occasions.

LG Fire Report

The Lemon Grove Fire Department answered two fire calls for the week of June 15-22.

June 18 at 9:09 p.m. firemen responded to a call to 1665 Madera. There the occupant, Peter Hunt had extinguished a fire which had begun in the bedroom of the house. It had burned the bed, the mattress and scorched the walls. Approximate loss was \$200.

June 20 at 10:15 p.m., firemen went to the 94 Freeway near Massachusetts. There a car had hit the guard rail and spilled gasoline on the freeway, which firemen washed off with hoses.

Dale Noble

manager of the bank's Miramar Facility.

He is a member of the American Institute of Banking and earned the organization's pre-standard and standard certificates.

Noble and his wife Margaret live at 3841 El Canto Dr., Spring Valley. They have a daughter, Marchia and son, Frederic.

Baptist Conference Set To Meet At Community Concourse June 27

The Annual Meeting of the Baptist General Conference this year will be held in the San Diego Community Concourse. It begins Saturday, June 27 in the evening, with banquets as highlights. The Women's Banquet is scheduled at the U. S. Grant Hotel, with Mrs. Vernon Anderson as speaker.

A Men's Steak Fry is scheduled at College Avenue Baptist Church, where Evangelist Merv Rosell will be the speaker. There is to be a Youth Smorgasbord at Grossmont High School and a Children's Hamburger Fry at College Avenue Baptist Church.

The regular meeting begins

Sunday, June 28 at 3 p.m. at the Concourse. Rev. Stan Lindberg, who has spent 40 years in Japan and China, will bring the measure. A choir, consisting of choir members of all the San Diego Conference churches, will sing.

The meeting will continue through Wednesday night. At the closing meeting Dr. W. A. Criswell, pastor of the First Baptist Church of Dallas, Texas, will bring the message. Many from the Casa de Oro Baptist Church will be attending, not only the special evening sessions, but the business sessions throughout the day. Special activities are planned for the children and youth.

On Sunday evening, June 28, all of the San Diego Area Conference churches will have guest pastors in their pulpits. At the Casa de Oro Baptist Church, Rev. Peter Unruh, pastor of the Wooddale Baptist Church of Minneapolis, Minn., will speak. Also at the morning service, Dale E. Lundgren, of Minnesota, will render several musical solos.

There will be no Wednesday evening service at CDO Baptist Church, that everyone may attend the closing session of the Conference.

Jesus' Message Included In Lesson-Sermon

Instructions given by Jesus to his twelve disciples and to seventy other followers, who were sent out to heal and save mankind, are included in the Lesson-Sermon to be read in all Christian Science churches this Sunday.

The public is welcome to attend services starting at 11 a.m. at First Church of Christ Scientist, Lemon Grove, 7741 Pacific ave.

TO PERU — Fireman Donald Norvell, left, of the Lemon Grove Fire Department, along with Mrs. Margaret Mueller, grand regent of the Catholic Daughters and Charlie Lewis of the fire department, display some of the items being sent to the earthquake victims in Peru. The Catholic Daughters group is sending over \$100 worth of quilts and usable clothing.

'Goodwilly' To Locate 'Lost Parents'

For the Tenth year Goodwill Industries of San Diego County, in cooperation with the Girl Scouts of America, will play the key role in helping to reunite lost children with their parents at the County Fair at Del Mar.

According to Allen J. Sutherland, Goodwill president, Goodwill has set up at the main entrance a special "Good Willy" booth.

A total of 360 Girl Scouts have volunteered time and effort daily from 10 a.m. to 7 p.m. With parents' consent, the girls attach "Good Willy" I.D. tags on approximately 25,000 youngsters which read: "If my parents get lost, take me to the first aid station."

At that point Fair management takes over.

So far there have been no unclaimed kids.

More than \$60-million in diamonds were exported last year by Sierra Leone, one of the world's leading diamond mining countries.

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

How is the letter "j" pronounced in Spanish? Can it be phonetically sounded as in English for the words "jam, jump, and James?"

The Spanish letter "j" is used phonetically like our English "h." When we see "j" used in a Spanish word it is pronounced as we would pronounce "h" in the word "hat." For example, "jolla" (jewel) is sounded "HOH-yah" and "jamón" (ham) is sounded "hah-MOHN."

Other applications of "j" may be seen in "joven" (youth), pronounced "HOH-vehn," and "ojo" (eye), pronounced "oh-HOH." In these examples it is easy to see that the letter "j" is converted phonetically to "h."

The letter "j" as seen in "jam, jump, and James" does not apply the phonetic "h" as this change is particular to Spanish only.

When the letter "j" precedes the Spanish vowel "u" the related sound is similar to the English "who." This may be seen in "junto" (WHON-toh), "jugar" (who-GAHR) and "Julia" (WHO-le-ah). You will note that the phonetic guide reflected "who" when

the Spanish word contained the letters "ju" together.

Practice phrases listed below contain words that use the letter "j." In each case the "j" is phonetically converted to the same sound suggested in the use of the English "h." You may enjoy saying the phrases with the recorded voice that says them for you when you dial 276-2762 on your phone.

IMPORTANT PHRASES:

Say "Le gusta jamon?" (leh GOOS-tah hah-MOHN) for "Do you like ham?" Say "Esta en la caja." (eh-STAH eh-n lah KAH-hah) for "It is in the box."

USEFUL PHRASES:

Say "Es muy joven?" (ehs MOO-ee HOH-vehn) for "Is he very young?" Say "Jorge es muy joven." (HOHR-heh ehs MOO-ee HOH-vehn) for "George is very young."

OTHER PHRASES:

Say "Que bonitos ojos." (keh boh-NEE-tohs oh-Hohs) for "What pretty eyes." Say "La mujer es bonita." (lah moo-HEHR ehs boh-NEE-tah) for "The woman is pretty."

Brian Howarth Wins \$300 Scholarship

For the second year in a row Brian Howarth, son of Mr. and Mrs. Norman B. Howarth of 605 Parkbrook st., Spring Valley, has been awarded a \$300 scholarship from the Solar Recreational Association.

A graduate of Mt. Miguel High School, Brian is a senior at San Diego State College and an English major. He is on the Dean's list.

Trinity Pres Sets Calendar For The Week

Following is this week's calendar for Trinity Presbyterian Church:

Thursday, June 25. Work party and picnic at 5 p.m.; Senior Hi Rap at 6:30 p.m.; "New Dimension" singers at 7:30 p.m.; Chancel choir at 7:30 p.m.

Saturday, June 27. Windjammers meet in the afternoon.

Sunday, June 28. Worship and Church School at 10 a.m. In the afternoon the Senior High will be going to the First Presbyterian Church to hear the "Rice Krispies" and the "Harbingers and Complex." At 6 p.m. will be the "New Dimension" singers at Trinity; and at 7 p.m. the Junior High meet.

Monday, June 29. At 7:30 p.m. there will be a workshop for Unit Planning for all grades, for teachers planning to teach in the fall.

Vasa Order To Host Youths From Sweden

Thirty-one youths from Sweden, eleven of whom are blind, and their five leaders are on a five-week tour of the States of Washington, Oregon and California. On Saturday, June 27, they will arrive in San Diego where they will be taken to Sea World and given a tour of the city.

At 6:30 p.m. Gustav V. Lodge and Scandinavian Lodge, Vasa Order of America will host the group at the La Mesa Womens Club House, with a chicken dinner, after which the visiting group will entertain with singing and dancing.

Robert Helland, Mayor of La Mesa has accepted an invitation to the dinner and will present each visitor with a commemorative coin of La Mesa and each leader with a key to the city.

Members and friends of both lodges are invited to attend but due to limited space reservations for dinner are necessary. The visitors will be housed in various homes of lodge members and on Sunday morning will be taken to the Vasa Club, 3094 El Cajon blvd. where the Victoria Club, Gustav V Lodge will serve them breakfast prior to their departure for Los Angeles.

Expo To Bridge Generation Gap

With the spotlight entertainment covering everything from rock bands to church choirs, the Southern California Exposition will bridge the generation gap at the Del Mar fairgrounds through July 5.

According to Joe Rogers, assistant manager of the Exposition, there will not be one minute during the run of the Fair without some type of entertainment between 11 a.m. and 7:30 p.m., on one of the four stages. At times, all four stages simultaneously will be "where the action is."

Topping this line up of local San Diego talent, are the professional headliners set for the evening Grandstand shows at the 12-day Exposition. This all-star talent package features Glenn Yarbrough and America's Western sweetheart, Judy Lynn. Folk singer Yarbrough will appear the first six evenings of the Expo. Miss Lynn will take over the Grandstand spotlight for the last six nights.

Kicking off the afternoon Grandstand shows for the initial six days of the Fair will be the Swinging Ambassadors, the young and dancing troupe that officially represented San Diego during last year's 200th Anniversary celebration.

Area Obituaries

Lester L. Hastings
Services for Lester Hastings, 69, of 9052 Birch st., Spring Valley, were held Tuesday at Conrad Mortuary Chapel.

Hastings, a native of Illinois, lived in this area for 36 years as an employee of the San Diego Gas and Electric Company and a member of the Masons.

He is survived by his widow, Thelma, a son, two sisters, and two brothers. Interment is in Vista Memorial Park.

Allie Ferguson

Mrs. Allie Ferguson, who died June 21, was a native of Illinois but had lived in the area for 18 years. She is survived by her daughter Juanita, two grandchildren and two great grandchildren.

Services for Mrs. Ferguson, 89, of 3637 So. Cordoba, Spring Valley, are set for this afternoon at 2 p.m. at Conrad Mortuary. Interment will be at Mount Hope.

HARRY CODDING

Services were held last Friday for Harry D. Coddington, 100, of 1843 Englewood dr., Lemon Grove.

Coddington was born in Lovilia Iowa, where he worked as a coal miner and horse trainer. He also trained horses at Del Mar and Caliente.

He is survived by two sons, a daughter, 22 grandchildren.

5,000 Expected For L.M.-S.V. Summer School

Approximately 5000 students will attend La Mesa-Spring Valley's summer school program beginning June 29, according to Elvin Fong, summer school director. Included are classes in each elementary and junior high school.

Enrollments are still being accepted for some classes, Fong said.

For further information parents should call the school of their choice concerning class availability.

Included in this year's summer session are classes for the educationally handicapped, educationally mentally retarded and aural deaf, trainable mentally retarded, and a speech class, all of which are now at maximum enrollment.

Courses have been developed cooperatively by teachers and principals, Fong said. All course offerings must be within the framework established by the State Board of Education.

The district's program is primarily designed for students in this year's grades kindergarten through seventh classes. Sixth-graders have the option of attending either the elementary or junior high program.

Fong said all children residing within the boundaries of the La Mesa-Spring Valley School District, including those who are enrolled in private and parochial schools, are invited to attend. An eligible student may enroll in any district school and courses are offered in all schools, he said.

Bond Sales May Aid Elementary Schools

Assemblyman Wadde Deddeh hailed the sale of nearly \$100 million school construction bonds: "Not only will it enable us to ease the shortage of classrooms, but it is a boost to the construction trades, where unemployment is at its highest level in 12 years," Assemblyman Deddeh said.

The money has actually been available since 1966, when the voters approved funds for school additions and unsafe buildings, however, the sale of bonds has been impossible since March 1969 due to inflation and high interest rates. Spring Valley-La Mesa District has applied for \$874,000.

Assemblyman Deddeh, who is a member of the School Building Finance Committee, noted that half of the bonds will be used for elementary and high school construction.

and 29 great-grandchildren. Interment was in Lovilia.

OAKEY P. HALL
Oakley P. Hall, 82, of 1700 Drevell dr., Lemon Grove, died June 2 in Grossmont Hospital after a long illness.

Born in Minnesota, Hall spent most of his life in Idaho as a school teacher and lawyer. He came to Lemon Grove in 1954.

He is survived by his widow, Mildred, a daughter, a brother, and two grandchildren. Services were June 5 at Conrad Mortuary, with entombment in Cypress View Mausoleum.

Methodists Want Support For Anti-War Bill

By a narrow vote, members of the Southern California Arizona Annual Conference of The United Methodist Church voted Tuesday night to call for congressional support of a Senate amendment which would cut off all funds for the war in Viet Nam by June 30, 1971.

The vote was 383 in favor of the resolution, and 340 against, and came only after an extended debate during which several attempts to water down the resolution were defeated.

The amendment in question is commonly called the McGovern-Hatfield Amendment. It would provide that "no funds appropriated by Congress may be used in Viet Nam after June 30, 1971, unless Congress shall have declared war by that time."

It further provides that funds expended between January 1, 1971 and June 30, 1971 may be used only for "financing the withdrawal of U.S. troops from Viet Nam."

The action of the church conference came on a petition submitted to the conference by Susan Wickett, representing the youth caucus of the Santa Ana District of the church, and amended by the Conference Board of Christian Social Concerns. It asked that the Southern California-Arizona Annual Conference "call on all members of the congress to vote for . . . the McGovern-Hatfield Amendment," and to call on all members of the Annual Conference who voted for the resolution to "write a personal letter to each of his congressmen as soon as possible, but not later than June 30, 1970," concerning the matter.

Virg Simpson Is Minister

In a special service of recognition, on June 21 at the Annual Session of Friends held in Garden Grove, Virgil Simpson was officially recorded as a Minister in the Friends Church.

During the last two years, Virgil has been studying under the Committee of Ministry of the California Yearly Meeting of Friends. He previously was an ordained minister of another denomination and now is fully recognized as a Minister of the Friends Church. Several members of the Spring Valley Friends Community Church were present at the service.

In Uniform

Robert Weldy
Robert D. Weldy, son of Mr. and Mrs. Walter R. Wigley, 928 Conception, Spring Valley, has been promoted to staff sergeant in the U. S. Air Force.

Sergeant Weldy is an aircraft accessories repairman at Nellis AFB Nev. He is assigned to the 57th Field Maintenance Squadron, a unit of the Tactical Air Command which provides combat units for air support of U. S. ground forces.

The sergeant is a 1966 graduate of Mount Miguel High School.

His wife, Mary, is the daughter of Mr. and Mrs. Bernerd Westrup, 611 Osage, Spring Valley.

Let no one imagine that it is a strained and unnatural thing for one to pray. The contrary is much closer to the fact. It is for more unnatural for one not to pray. Prayer is one of the most natural of human instincts. Prayer is man's response to the divine will.

Chula Vista Give \$5000 To COMBO

The city council of Chula Vista — second largest city in San Diego County — has set the pace for countywide support of COMBO by voting to give \$5000 to COMBO's united drive for the performing arts.

Officers of COMBO — the Combined Arts and Education Council of San Diego County — are presenting the COMBO story to governing groups in many cities to emphasize the countywide scope of COMBO this year.

Philip M. Klauber, COMBO Vice President, and Louis Wolfshiemer, COMBO Secretary, spoke to the Chula Vista council on June 13 when the budget item was approved. The City Council has not yet voted on its entire budget. Also appearing were Walter F. Steidle, COMBO Campaign Chairman, and Walter DeBrunner, COMBO Executive Director.

Final Factor Reviewed At S.V. Kiwanis Meeting

"The number of accidents in the U. S. can be reduced," according to Emmett Lindquist, of the Automobile Club of Southern California.

Lindquist, in an educational program at the Spring Valley Kiwanis meeting, talked about a film which he showed at the session "The Final Factor."

"Most of these factors are simple, everyday lapses that you and I have been doing for years and have gotten away with. Many don't realize that the road is no place for inattention at any time.

"Perhaps you have been lighting your pipe on the freeway for 30 years and nothing has ever happened. However, you are contributing one factor, and if you come in contact with 4 other cars who are playing with the radio, following too closely, giving attention to someone in the next car, in a hurry or driving while upset, the build-up of factors may cause an accident.

"Likewise, one person may contribute all the factors. Take for an example a driver who is driving in unfamiliar territory on slick wet pavement. His tires are bare and his windshield wipers are not working properly. Most drivers can probably make it safely to their destination even with these odds against them. However, what if another factor, a poorly marked construction area appears suddenly?

"This last factor may be enough to cause an accident. The more factors we eliminate, the better chance we have of surviving on the road. Factors have a way of building up until we can no longer control them.

The film also urged drivers to avoid driving when tired, avoid driving an overloaded car at night (this causes the

headlights to shine high), and to wear seat belts at all times. "It horrifies me seeing people ride in the suburban areas without seat belts," said Lindquist. Most accidents occur close to home when we least expect them."

Many people use seat belts only on the freeway, which they believe is more dangerous because of high speeds. Actually, the highways are safer (having 1/2 the fatality rate of other areas) because of controlled conditions and lack of pedestrians.

THE PHONE BOOTH

You might think "instant replay" is only used in football games on TV, but the Phone Company is also taking advantage of this technique at one of our training schools for installers. The installers—people who put in your phone—practice their jobs with other Telephone people who take the role of customers. These practice sessions, which simulate situations our men encounter on the job, are videotaped and replayed so the men can see how well they performed. Besides checking to see that they install the equipment correctly, we're also interested in their grooming, deportment and ability to handle situations. This is another way we try to make sure our installers are real pros before they go out on the job.

Smokey the Bear reminds you that human carelessness is the greatest cause of fires in our forests. Most fires occur during the dry summer months, so please be especially careful during this hazardous time.

The Question Box

- Q** Is there a charge to repair my phone?
A No. If something goes wrong with your telephone, just call the number for Repair Service that's listed in the front pages of your phone book. There's no extra charge for normal telephone repairs.

GRADUATES — This line of Monte Vista High School seniors was seen last Thursday evening at the school's football stadium as they made the grand entrance in commencement ceremonies.

Over \$95,000 Offered To M.V. Seniors

Scholarships offered to members of Monte Vista high school's 1970 graduating class totaled between \$95,000 and \$100,000, senior counselor Robert Cordry said.

The long list of awards to seniors included appointments to the navy and air force academies, three NCAA full athletic scholarships, seven California State Scholarships, two Bank of America awards and tuition or monetary grants from individual organizations and local colleges.

This year's class, boasting seven straight A students, is termed by Cordry "one of the brainiest in the history of the school."

Tourists to Europe may purchase, before leaving home, an unlimited travel train ticket good for 21 days in Europe for \$110.

Jerry Segawa Chosen To Attend School In Japan

Jerry Segawa of Lemon Grove, a sophomore at the University of Redlands, will spend the 1970-71 academic year studying at Waseda University in Tokyo, Japan.

He is one of six University of Redlands students chosen to participate in the California Private Universities and Colleges Year-In-Japan program.

A total of 27 students, including 11 from the University of Southern California, 8 from Occidental College and 2 from Pitzer College, will participate in the program. Students will study in Waseda University's International Division.

Purpose of the program is "to bring intelligent young people of foreign nations to Japan to enable them to gain an understanding and appreciation of the people and traditions of the Far East."

Locals Win Grants For Heart Research

Five college students have been awarded student research grants by the San Diego County Heart Association. It was announced last week by Dr. William F. Bethard, a local internist and chairman of the chapter's Research and Summer Student Program.

Two of the students are local residents. They are Sheldon G. Stadnyk whose parents, Mr. and Mrs. Harry G. Stadnyk, live at 7934 Cinthia st. in La Mesa; and David Walba whose parents, Mr. and Mrs. Harold Walba, live at 3870 Carancho st. in Lemon Grove. Young Stadnyk, a graduate of Hoover High School, is a Zoology Major at the University of California at Los Angeles; and young Walba, a graduate of Helix High School, is a Chemistry Major at UC Berkeley.

The other students are Richard Casey Goldweber, a Zoology Major at UCLA; James Sakamoto Jr., a Chemistry Major at Sanford; and Kenneth Books Wells, a Psychology Major at Occidental College.

Stadnyk has been assigned to work during the summer with Dr. Marshall J. Croff, chairman of the Surgical Research Department at University Hospital. Walba will work with Dr. Arne N. Wick, professor of Biochemistry at San Diego State College. The other students will do their research work at universities in the Los Angeles area.

"Each of the five students

will receive a stipend of \$750 from the San Diego Heart Association for their ten-week research projects," Dr. Bethard said.

Kempton Kids End Newspaper Drive Project

For students at Kempton Street Elementary School in the La Mesa-Spring Valley School District newspaper collections are getting to be old hat. However, the collections continue to grow larger with each new attempt.

This past week students collected 8½ tons of outdated newspapers for which they received \$85. The money is turned over to the student council who decides how the money will be used.

Last year the council was able to provide two display cases for the auditorium, one for the central office, and a leaf vacuum for the custodian so that the quad area would be clean and beautiful at all times.

Jack Zolezzi, faculty sponsor of the student council, stated that not only do students contribute but many community citizens who do not have children.

Newspaper collecting has become a community venture and one that, it appears, will continue for quite some time.

TONS — Eight and one-half tons of outdated newspapers graced the grounds at Kempton Street Elementary School this past week as students completed their last student council project for the school year.

Hillbillies Lose Upset But Still Lead League

The Jamacha Hillbillies were dealt a surprising upset last week as fourth place Colorama T.V. put it to 'em, 12-9, in Jamacha Hills Bobby Sox League action.

Colorama, who the Hillbillies have knocked off already

this season, was out for revenge in the thrilling encounter, and put up a nice defensive show enroute to its fifth win of the year.

In other action, much-improved Spring Valley Rotary edged Colorama, 9-8 in a game that had everyone sitting on the edge of the bleachers.

Rotary dropped a heart-breaker to Be Pampered Coiffures, 12-4, in the game that put the Rotarians out of the league race, and handed the Hillbillies the pennant.

In the only other game played, C&C/Moorie's upended Be Pampered, 19-10 to register its third win of the year.

In the minor league, the fight over first place continued, with the lead changing hands as Red's Western Auto/Harris Furniture dropped a one-run affair to scrappy Bowlero, 12-11.

Meanwhile, Decker's Richfield won a pair of games to take over the top rung on the league ladder with an 11-2 record. Red's has a mark of 10-2.

Richfield edged Jamacha Boosters, 9-7, and crushed Elk's Lodge, 14-2 in its pair of victories. Bowlero also knocked off Boosters, 9-7 in the only other game played.

Minor Standings

Decker's	11-2
Red's	10-2
Bowlero	6-7
Elk's Lodge	5-7
Boosters	5-8
S.V. Merchants	1-12

It's Beavers, Seals, In Last Two Weeks

It's strictly a race between the Beavers and Murphy Plumbing Seals as the Lemon Grove Little League Intermediate Division enters its final two weeks of competition.

Both the Beavers and Seals won a pair of games last week to rest at five wins and one loss apiece. The Stars won a single contest to move up a notch at 3-2 while the Giants are 2-3 and the Carlton Cabinet Islanders and Padres both show 1-5 ledgers.

Beaver pitchers John Leamons and Bill Bryant combined for a one-hit, 6-1 verdict over the Islanders in a game that was scoreless through the first three innings. Jim Engleman had two hits for the winners.

In the nightcap, the Beavers pounded out 13 hits, three by Jim Stewart who also had a walk, for a 17-11 nod. It was over early as the Beavers picked up 10 runs in the first inning.

The Seals also won twice but had to do it in a harder fashion. They opened with an 8-4 triumph over the Padres as Joe Mangiapone twirled a seven hitter and Keith Shaver banged out three hits.

Padre bats boomed to a 5-1 lead in the second affair but a pair of six run innings pulled it out for the Seals via a 13-6 margin. Mike Gamboa got the pitching duke and Gentry McCrea aided him by catching a line drive to start the first triple play of the season.

The Stars and Giants play-

ed a single game with the Stars building an 11-0 lead in the first three innings and coasting home 11-4. Bob Fortenberry garnered four hits in as many times up including his third home run of the year. Jerry Crabtree was credited with the pitching decision on a four hitter.

In a makeup for a first round tie game, the Giants won 7-6 but the victory was not figured in current standings.

State College Spikers Take NCAA Twelfth

San Diego State's track and field squad capped a fine season last weekend, amassing 17 points to finish in 12th place in the NCAA Championships at Drake University in Des Moines, Iowa.

The finish by the Aztecs was their best since placing ninth in the 1950 meet. The point total, however, was the highest ever recorded by State.

The Aztecs picked up 10 points when Arnie Robinson won the long jump title with a 25-10½ effort. In winning, Robinson became the fifth Aztec to win an NCAA crown and the second long jumper. Arnie joins Jack Rand (pole vault, 1934), Willie Steele (long jump, 1947-48), Bob Smith (pole vault, 1949-50) and Larry Godfrey (440 intermediate hurdles, 1965).

3-1 Record

Skyline Moves Into First

First place Skyline T.V. lost its first game of the young season last week in Lemon Grove Bobby Sox League action, while winning two others to bring its season record to 3-1.

Skyline bombed Catholic Daughters, 15-3, then lost to Lemon Grove Boosters, 19-13, before knocking off Lemon Grove Merchants, 7-4.

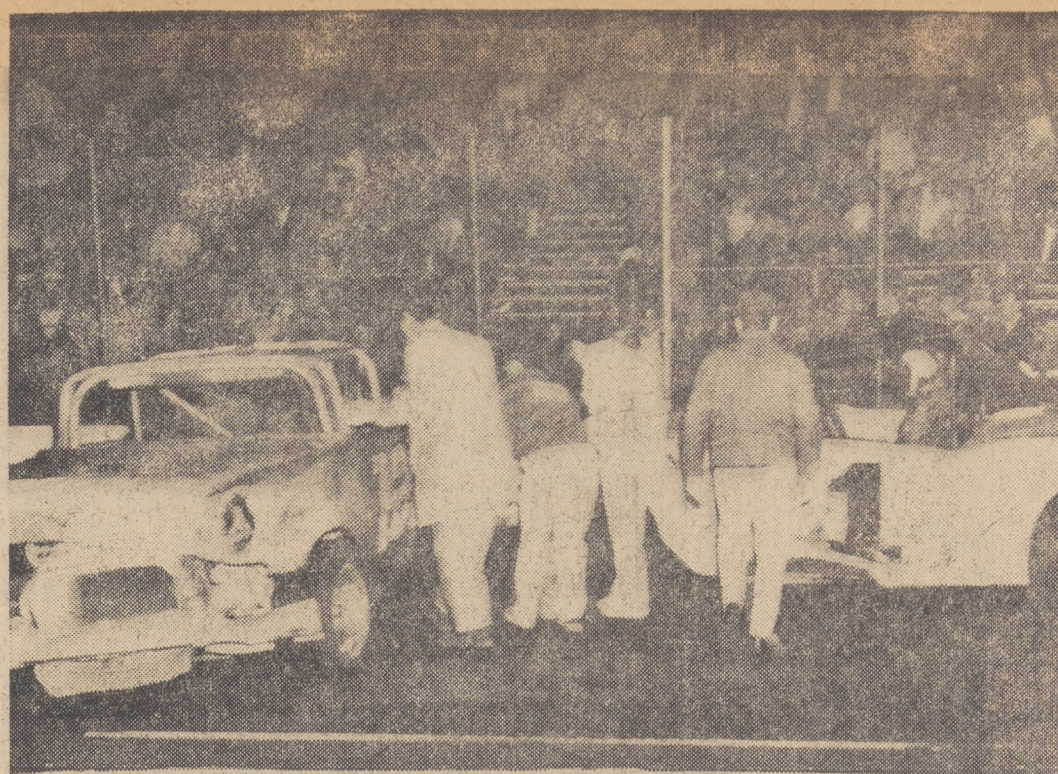

In other major league action, it was Lemon Grove Merchants handing the Minis their third loss in as many starts, and Catholic daughters making it four straight for the winless cellar dwellers. Merchants won by a walloping 20-5 score, while Daughters blanked 'em 9-0.

In the only other major league game last week, it was Lemon Grove Merchants 13, Lemon Grove Boosters 9.

In minor league play, high scoring was the key to success, with a total of 281 runs being scored in the six games played.

Major Standings

Skyline T.V.	3-1
Catholic Daughters	2-1
L.G. Boosters	2-1
L.G. Merchants	2-2
Minis	0-4

TANGLED — Ed Hale, of Lemon Grove, got tangled up with Jim Whitt, of El Cajon, a couple of weeks ago at Cajon Speedway. Members of the pit crews works diligently to get the two cars apart so the race can go on. Hale and Whitt have since patched up their machines and will be rolling at the Speedway Saturday night at 8 p.m.

Hale Back On Winning Track In Cajon Speedway Thrillers

Ed Hale is back on the winning end of things at Cajon Speedway, after a couple of weeks of problems.

On Friday night of last week, the Lemon Grove lead-foot made it look like freeway driving in the tricky figure eight races, coming away with a heat win and a main event.

Ed battled Lemon Grove's "other" driver, Dean Erwin throughout the 20 lapper to get the checkered flag. Erwin, who has one main event to his credit this season, was one of the hottest drivers last year, and promises to be back tomorrow night to avenge his defeat.

On Saturday night, Ed had his super stocker running pretty smoothly, winning the three-lap trophy dash, and setting a new track record in the

process, before taking second place to Jim Osborne in the 30-lap main event.

Osborne, a limited stock driver two years ago, and a 1968 graduate of Mount Miguel High School, got the pole position for the race and never relinquished the lead. Osborne lives in Brookside.

In the super-stock points race, Hale re-captured second place from El Cajon's John DiNeen, who couldn't crack the top five in the main event. Point leader Russ Bullen, of Bonita, got caught in heavy traffic early in the race, and couldn't get to the front in time to pick up many points.

The main event was fastest of the season at the Speedway, as Osborne took credit for a new track record, and the yellow flag was seen only once

through the race, as he won his first main of his career.

On tap for this weekend at the Speedway is the re-nued rivalry between Hale and Erwin in the eights, Don Hamilton and Dick Fries battling it out in the modifieds, and Saturday night's supers and limiteds.

Also on tap for this weekend will be a special powder puff derby between races on Saturday night. The Lemon Grove-Spring Valley area will be represented by pretty Mary McIntyre, as she goes into battle with the likes of Diane Porter and Joy Swentkofske.

Shaieb Drops Crucial Contest As Odell Pennant Hopes Soar

Shaieb Realty was dealt a wicked blow last week, as Odell Realty won a crucial game from Shaieb, 8-7 in

Spring Valley Bobby Sox League action.

The loss for Shaieb all but extinguishes any chance for a pennant in the league race, as Odell has a 2½ game lead with three games remaining on the schedule.

Odell will play a pair before meeting Shaieb in the last game of the season, and needs only two wins to sew up the championship, and only one win to secure a share in the flag.

Shaieb must win all four of its remaining games and hope that somebody knocks off the leaders to get a tie.

Third place S.V. Woman's club still has a mathematical chance for the flag, but will probably be eliminated next week, as any combination of one (a win by Odell or a loss by Woman's Club) would put the flag out of sight.

In other action last week, it was Woman's Club dropping a tough one to Odell, 16-15 after

winning an easy one over S.D. Sandblasting, 10-3.

Clean Rite Sewer and Drain pinned the 13th straight loss on Sandblasting, 16-7 in the only other contest.

In the minors, Galbreath Realty/Sportland recovered first place by beating Delp Plastering, 14-6, with the aid of Lynn Basta's two run homer. The loss put Delp's winless mark at 8-4, while Galbreath moved up to 8-3.

In other minor league play, Mac Electric beat S.V. Boosters, 12-5, and Foster Freeze/Thomas Disposal bombed Johnson Excavating/S.V. Insulation, 30-8.

Major Standings

Odell Realty	11-2
Shaieb Realty	8-4
S.V. Woman's Club	8-5
Clean Rite	5-8
S.D. Sandblasting	0-13

Lifesaving Courses Set At Copley YMCA

As part of its program of pool centered activities, the Copley YMCA is offering new classes in Junior and Senior Lifesaving for boys and girls, men and women.

The Junior Lifesaving class will be held each Thursday, beginning July 9. The class time is from 6:30 to 9 in the evening. The minimum age requirement is 11 years of age.

Tickets Selling For Aztecs

The sale of San Diego State season football tickets is rapidly approaching an all-time high. Tickets have been on sale a little over three weeks and already nearly 5,000 have been sold, placing last year's record of 7,800 in real jeopardy.

Present season ticket holders have until July 6 to retain their locations. Tickets are priced at \$6, \$25, \$20 according to location and may be purchased at the ticket office on campus or at any Highlander Store or Metro Ticket Agency.

The Greatest Exposition in 81 years

★ Glenn Yarbrough ★ Judy Lynn

STARS ON THE GRANDSTAND STAGE! Baladeer Glenn Yarbrough (June 24-29) and Country-Western Star Judy Lynn (June 30-July 5) headline the Expo's top entertainment on the big grandstand stage. Both shows free to fairgoers, too!

RIP-ROARING CHAMPIONSHIP RODEO! Six afternoons (June 30-July 5) on the grandstand track fairgoers will thrill and cheer as hard-riding cowboys rope and bulldog steers, ride buckin' broncos and big, mean Brahma bulls.

WEST'S MOST BEAUTIFUL FLOWER SHOW! Here's the Expo at its very best—with thousands of cut blooms, arrangements, hanging baskets and 75 garden landscapes to rival any floral event in the U.S. Nearly four acres of breathtaking displays.

NATION'S LARGEST HORSE SHOW! The finest riders and horses (2,000 of them) from 15 western states compete for \$30,000 in cash prizes in this prestigious horse show, best known as "The Del Mar National." You'll see them all—hackney ponies, hunters, jumpers, fine harness, western, Palominos, Pintos, Arabians, Appaloosas, Morgans. Twelve big days!

CHAMPIONSHIP LIVESTOCK! Hundreds of blue-ribbon and dairy cattle, sheep, swine and dairy goats—to enchant the small fry, and interest any fairgoer.

THOSE "SWINGING AMBASSADORS"! San Diego's own singing group—who carried our 200th banner last year across the nation—will entertain on the grandstand stage the first six afternoons (June 24-29). They really move out!

NEWEST ART SHOW IN THE COUNTY! Sometimes controversial, the Expo's big, dynamic art show this year brings a totally new offering to fairgoers, highlighted by "San Diego Landmarks" and Don Diego Teenager competition.

RIDES AND SLIDES AND FUN GALORE! For the young ones, there's the big West Coast Shows carnival with every kind of ride imaginable. Plus that Giant Slide (so popular last year) and the Skyliner ride over the bustling fairgrounds.

CONTINUOUS ENTERTAINMENT! Besides the big grandstand shows and the Don Diego Varieties, there's minute-by-minute entertainment around the grounds every day. Singers, dancers, bands, performing dogs, puppets, marionettes, cyclists, jugglers, clowns—just name it. On the Youth, Community, and Don Diego stages.

HEART-TUGGING JUNIOR LIVESTOCK AUCTION! Always an Expo highlight, \$60,000 worth of championship beef, lambs and swine raised by 4-H and FFA youngsters is sold at this yearly event. Monday, June 29, 2 p.m. and 6 p.m.

A CAVALCADE OF EXHIBITS! You can spend two hours or two days viewing hundreds of exhibits in Exhibit Hall (agriculture, military and community), in Bing Crosby Hall, the Trade Mart and Polynesian Village (commercial and exotic).

AND IT DOESN'T END THERE! What's your pleasure? Gems and minerals, hobbies, tropical fish, home economics, stamps, coins, photography, antique bottles, rabbits, poultry, pigeons, youth exhibits. Everything and anything for everyone!

THE 1970 EXPO JUST HAS TO BE THE GREATEST ENTERTAINMENT BARGAIN OF THE YEAR!

Kempton Faculty Wins

The Kempton School faculty, for the first time in the school's history, beat the students in the annual student-faculty baseball game.

John Powers teamed up with the faculty, and told the students that he was Chris Cannizzaro, catcher for the Padres. The kids, who were a little "psyched out" are still thinking they were tromped by a professional.

Jamul School Eyes Budget With Raises For Teachers

Salary raises for both teachers and classified employees are included in a tentative 1970-71 budget of \$388,140 adopted by trustees of the Jamul-Las Flores Union School District.

The district's 1969-70 budget was \$339,620.

The new salary schedule for teachers with a B.A. Degree begins at \$7,100 and increases to a maximum of \$12,800. Masters Degree not required to reach maximum salary on the schedule. The present salary scale for teachers runs from \$6600 to \$9,920.

Teacher salaries in the Jamul-Las Flores School District have not been competitive with neighboring school districts, a teachers' spokesman said.

According to a survey made last year by the California

Teachers Association, Jamul ranked 133 out of 134 in average salaries paid teachers, he said.

Classified personnel are given raises of approximately \$50 a month in the tentative budget.

The district's operating tax rate is now at its legal maximum of \$2.02 for each \$100 of assessed valuation, and probably will remain unchanged next fiscal year, though it's possible the board will decide to levy one or two minor permissive tax overrides which weren't used this year.

Tax Board Sets Up Seminar For Seniors

A representative of the Franchise Tax Board will be in National City on July 6 to assist California senior citizens in filing claims for benefits under the Senior Citizens Property Tax Assistance Law. The representative will be at the Community Building Lobby, 140 E. 12th st. on July 6 from 8 a.m. to 12 p.m.

The new law provides for a reimbursement of a portion of the property taxes paid by Californians who are over 65 years of age, own and reside in their own homes, who have paid the property taxes for the current year, and who have income of \$3,350 or less. Claims may be filed at any time prior to October 15, 1970.

A FAMILY REUNION — A family reunion was held at the home of Mrs. Helen Bolshazy, widow of Albrecht L. Bolshazy, USN Retired, at the family residence, 7244 Waite dr., Lemon Grove.

Members of the clan include Chris Bolshazy, left, Nicholas, Stephen, Albert, Francis, Gerald (seated), and Mrs. Bolshazy.

The four in uniform are with the U.S. Navy, except Albert, who is a member of the San Diego Police Dept. Chris is a student at Helix, and Gerald goes to Spring Valley Junior High.

Dr. Al Lantz Joins District As Coordinator

Dr. Albert Lantz, former Lemon Grove district administrator, has accepted employment with the La Mesa-Spring Valley School District, replacing Paul Radenheimer as director of program planning and development.

Radenheimer is taking a leave to pursue his doctoral degree from the University of Arizona.

Lantz started his career in teaching in 1955, when he became an instructor in Honolulu, Hawaii. In 1956, he came to Lemon Grove where he taught

Dr. Lantz

junior high school for two years before going back to school for his M.A.

In 1959, he returned to the Lemon Grove district as a junior high counselor, before stepping up to principal in 1960.

Lantz worked for the Santee School District until 1969 as a principal and curriculum coordinator. In '69 he took his studies back to USIU in San Diego and received his PhD.

Al and his wife reside in La Mesa.

Heartland To Offer Scuba Diving Course

The Heartland YMCA is beginning a Scuba Diving class on Tuesday and Thursday nights 7 to 10 p.m. The class starts on June 30 and will run for six weeks.

The class teaches the proper use of Self Contained Underwater Breathing Apparatus (S.C.U.B.A.) and will include (2) ocean check out dives, National YMCA certification is given upon completion of the course.

SUBSTITUTE—Ginger Cody, of Lemon Grove, is substituting for Terri Simmons, also of Lemon Grove, in a play now running at the Actor's Quarter in San Diego. Mrs. Cody stepped into the part on 24 hours' notice when Terri became ill and could not take the part.

Stallions to Show

San Diego's Community Course Convention Hall will become a horse arena July 7, 8 and 9 when rare Lipizzan stallions perform their unique "Airs Above the Grounds" maneuvers and other dramatic equine feats at 8 p.m.

Saved from Russian extinction during the last days of World War II, the aristocratic breed was created in the 16th century for members of the Austrian royal family of Hapsburg.

Nobles fighting with Hapsburg armies were given exclusive use of the magnificent Lipizzans, who were trained to perform the "Airs Above the Ground" maneuvers as a tactic of war.

S.V. Shopping Rides In First; Daily Cal Drops Out Of Sight

The former first place Daily Californian team dropped out second place and into oblivion last week, dropping three straight ballgames, one a shut-out at the hands of Farmer's Center in Spring Valley Pony League action.

Going into the week a half-game out of first place with a 9-4 mark, Californian proceeded to lose 4-3 to sixth place S.D. Rock, 9-1 to first place S.V. Shopping Center, and 4-0 to Farmer's.

Roy's Campers, 6-2 winners over Shipfitter's "A" School, dropped a 10-4 decision to Farmer's, but still managed to climb into second place in the standings with a 9-5-1 mark.

Greg Smith belted a four-bagger for Farmers in that game.

In other action, last place

Shipfitter's started moving, still struggling to leave the cellar, by beating Scharf's Backhoe, 3-0 with the help of Max Wright's home run, and shutting out Montgomery Ward by the same score.

In other games, Scharf's beat S.D. Rock 11-0, and S.D. Rock knocked off Ward's, 4-2.

Standings

S.V. Shopping	11-4
Roy's Campers	9-5-1
Daily Calif.	9-7
Farmer's	8-7
Mont Ward	8-8
S.D. Rock	8-8
Scharf's	5-10
Shipfitters	5-12

Since World War II, college fraternities have grown at the average rate of twelve new chapters per month.

Brookside Winery To Help Fight Pollution

Brookside Vineyard Company has just taken a major step forward in its long standing efforts to preserve the beauty of nature and maintain an ecologically balanced environment, President Philo P. Biane announced.

Effective immediately Brookside retail sales cellars will take back all their glass bottles — gallons, half gallons and fifths — paying 40c for 4 gallons, 30c for 6 half gallons and 18c for 12 fifths in case lots.

San Diego Recreation Department Sets Summer Vacation Programs For Youth

Activities geared to reach every school-age boy and girl during the summer vacation starting this week have been announced by the San Diego Recreation Department under supervision of Pauline des Granges, Recreation Director.

Programs will go into effect at 89 school playgrounds, 23 park and recreation centers, six permanent and four porta-

ble swimming pools, beaches, golf courses, tennis centers, city lakes and Balboa Park recreation facilities.

Park and Recreation Centers will generally be open from 9 a.m. to 10 p.m. weekdays and from 9 to 5 on Saturdays. Most school playgrounds will operate from 9-5 weekdays. A wide range of activities in athletics, arts,

crafts, music, dancing and drama is offered.

Swimming lessons are offered at Mission Beach Plunge, Bud Kearns Memorial Pool, and pools operating for the first time this summer at Kearny Mesa, Valencia Park, Memorial and Colina del Sol. Registration for the 10-lesson two-week morning classes must be made in person at the pools.

Junior golf group lessons are offered at both Torrey Pines and Balboa Park Courses through course managers. Tennis instruction is being provided at 11 areas with a section registration deadline set for July 17.

Lakes Miramar, Murray, Otay, El Capitan, Sutherland and Morena are all open on weekends with each lake operating one weekday. The Children's Pond at Murray offers trout fishing for 12 and under Wednesdays and weekends.

Balboa Park offers Civic Youth Ballet on weekdays from 1:30-4 p.m., and periodic summer fun lectures and plays on Shakespeare, Dainton, fencing, table tennis, volleyball and tumbling are offered at the Balboa Park Gym and surrounding buildings.

Youth Symphony and Youth Chorus will rehearse on Tuesday evenings and Saturday mornings respectively at San Diego State College. Application for these and all other city-wide cultural programs is made through the Recreation Department offices in the Balboa Park Administration building.

Playground dance classes register the first week of vacation at 22 locations and start meeting the next week. Playground drama classes register and hold their first sessions at seven areas next week. Printed lists with times and places of these classes are available at all playgrounds and recreation centers.

On her 58th birthday, Pres. Nixon presented his wife, Pat, with a small gold ring containing the presidential seal.

The 'Shoe' To Ride Again at Del Mar

America's premier jockey, Bill Shoemaker, one of the sports world's true superstars, will return to the scene of much of his early success this summer when he campaigns at colorful Del Mar, where the 1970 racing season begins Friday, July 24.

The 38-year-old Shoemaker has not ridden on a regular basis at the picturesque seaside track since the 1954 season in which he booted in an incredible 94 winners in 42 days to establish a record which has never been approached.

"Shoe" won his first Del Mar title in 1949 as a relatively unknown apprentice, tied with John Longden for the championship the next year and then swept honors each year until 1954 when he set his amazing mark for most victories in a single season.

The Texas-born rider's greatness is reflected in an unparalleled list of career achievements. He has been the national money-winning jockey ten times, his mounts earning more than \$40 million, and has been leading rider in number of winners on five occasions, setting a record of 485 victories in 1953. In addition, he has won almost every significant stakes race in the United States, including the Kentucky Derby three times.

At Del Mar this summer, Shoemaker will be taking dead aim on another record, that of Longden's as the winningest jockey in history with 6,032 triumphs. At his present pace, it appears Shoemaker could surpass Longden in the latter part of the Del Mar session.

Heartland Y Sets Caravans

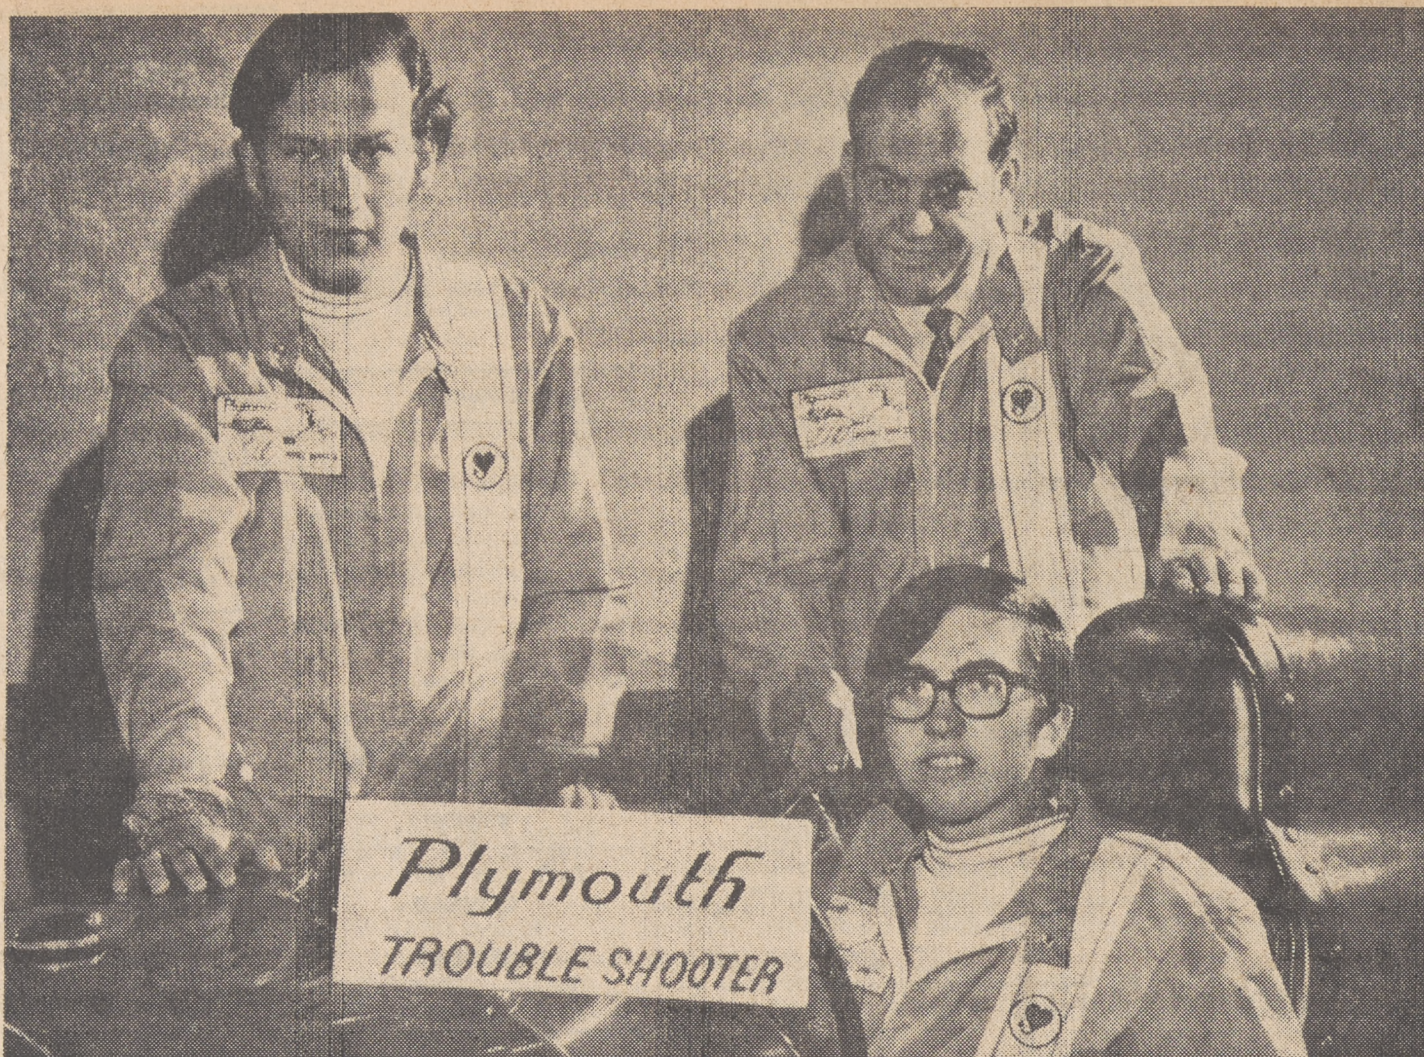

The Heartland YMCA is planning some exciting summer experiences for those who have completed the seventh grade. For junior high and high school students there will be three caravans.

The first of these will travel to Guaymas, Mexico, July 16-22 at a cost of \$50.

On August 8 a group will leave for the redwood country and a canoe trip on the Russian River for one week. The cost of the canoe trip is only \$45.

The last caravan of the summer will be a wilderness trip in the Sierras for junior and senior high boys, August 20-26, for only \$40.

Out of state tourists spent \$484-million in North Carolina in 1969.

TROUBLE SHOOTERS — The Plymouth Trouble Shooting Contest national finals brought automotive shop students from all 50 states to the Indianapolis (Ind.) 500 Speedway to compete for \$125,000 worth of scholarships and prizes.

Shown left to right are teammates James E. Horne, 8526 Troy st., Lemon Grove; John E. Engelstad, Jr., 8971 Rover st., Spring Valley, and instructor Dan Loneman, 9938 Estrela, Spring Valley, of Mt. Miguel High School, Spring Valley.

Mats Fall To Second Place In NL

The Mount Miguel High School American Legion baseball team slipped to second place in the National League this week, losing a 7-6 decision to visiting La Jolla in a Saturday game.

The Matadors, known throughout the county as a last minute threat, came into the last frame trailing, 7-4. Bob Gallagher belted a single and Mike Bruner moved him along with another safety.

Mark Schuff knocked a solid single to score the runners after they had moved up on an infield out to bring the score to 7-6.

But Viking pitcher Mike Miller retired the side before the Mat's bats could get the tying run.

The Miguelites had golden opportunities in the second inning to break things wide open, but Miller got out of the inning after "only" three runs came across the plate, leaving three runners stranded.

The loss put Mount Miguel a half-game behind Saint Augustine in the National League with a 5-1 record. The Saints have a 5-0 mark on the year.

Don Diego Considered For Spanish Knighthood

Don Diego, the graphic and living symbol for 23 years at the Southern California Exposition here, may soon become "Caballero Don Diego," a Spanish knight.

Tom Hernandez, the television and movie actor who has portrayed Don Diego on the Del Mar fairgrounds every year except one since the character was invented in 1947, is under consideration by Spain for la "Medalla de la Orden de Isabel, la Catolica," or The Medal of the Order of Isabel, the Catholic, the Spanish equivalency of knighthood.

"The reason I am being considered is that the Spanish government believes that I have kept alive for 22 years the Spanish traditions, customs, and dress in what was once Spain in the new world," Hernandez said.

As Don Diego, Hernandez will be on hand when Expo opens a 12-day run Wednesday, June 24.

Should Hernandez receive the title, named in honor of the queen who backed Columbus' journey to the new world,

it will be one more laurel to add to the many honors he has received during a colorful career.

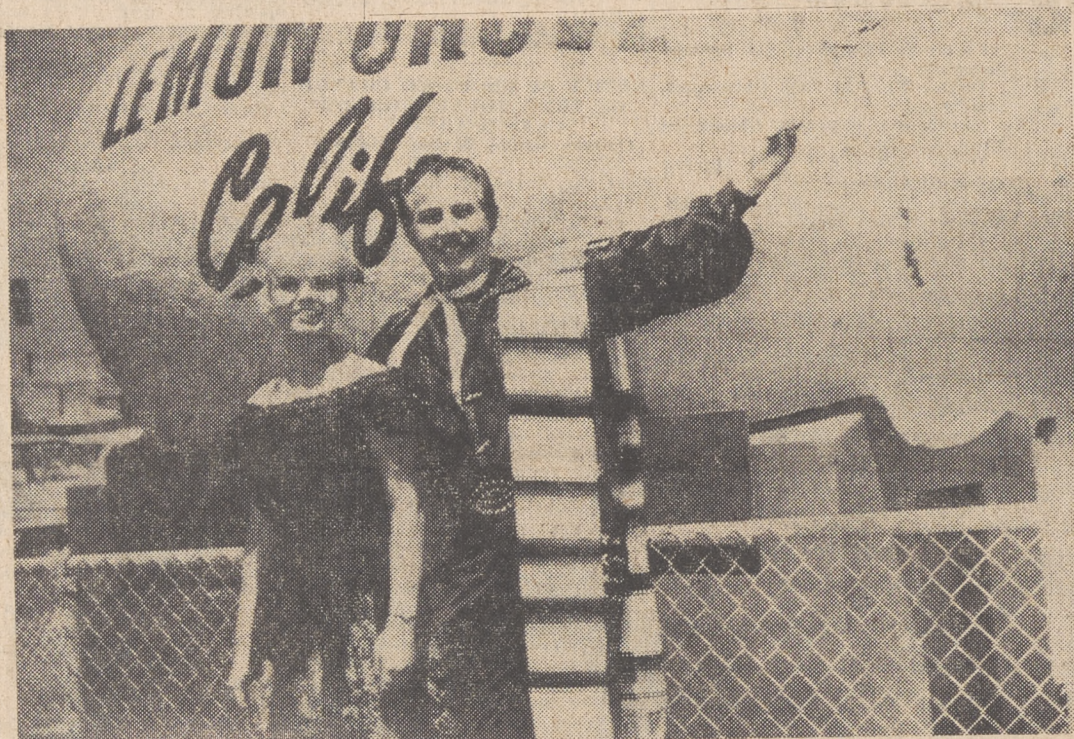

Born in the Canary Islands and a descendant of Baron Jean de Bethencourt, the islands' first king, Hernandez was educated in Spain and the United States. He started his show business career in New York, but volunteered for the Army with the outbreak of World War II.

Following European duty with the infantry, where he earned a Bronze Star and a Purple Heart, Hernandez landed in Hollywood when hostilities ceased.

Since then Hernandez has appeared in some 70 movies in the United States and Europe. He also has acted for television, including two recent roles on "Daniel Boone" and "The Survivors."

Just prior to returning to Del Mar to resume his annual role as Don Diego, Hernandez received Spain's highest award for television acting, "La Llave de la Casa de los Martinez," or the Key to the House of

Martinez, produced and directed by Romano Villalba in Madrid.

VISITORS — Don Diego and Miss Fairest of the Fair, Sharyn Yetira, paid a visit to Lemon Grove last week to promote the Southern California Exposition. Don Diego (actu-

ally actor Tom Hernandez) is being considered for knighthood for the work he has done promoting Spanish customs.

Stay Cool With New Fashions

By Lynn Jones

Are you tired of the same old styles? Do you want to keep cool? Well, get into the swing of things with the new and exciting fashions for those summer days.

You ask what's new for this year; well, there are lots of new fabrics and colors. This is the year for knits, so why not try the new open knit bathing suit or the open knit blouse for a change. It could change your life and the scenery around you. If open knit bathing suits aren't your

thing, try the knit dress. With all the lively new colors and easy care of knits, I think you will have a hard time trying to choose. The new light weight knits are now cool and comfortable to wear anytime or anyplace. They also look nice in any type of style, whether it's in a dress or a bikini.

This year there is a new fabric out that gives you an illusion of being wet. It's called the "wet look." This is a jersey type fabric which looks nice in any style. A lot of the "tank tops" and two-piece out-

fits are made from this fabric. It comes in all kinds of bright colors, solid or print patterns.

Much beach wear, like bathing suits and maxi sand-sweeper suits, are made from terry cloth. The maxi sand-sweeper suit is a dress which comes to the ankles. There are also the midl sand-sweeper skirts which are skirts that come to the mid-calf. Both of these outfits really look good in bright colors.

The playsuit or tank suit is in this year too. It can be made in cotton or in terry cloth. These suits are great for hiking, bicycle riding, cover-ups for bathing suits, and many more things. They are easy to get into and out of because they are a one-piece outfit with a zipper in the front.

Research Grant Given To Barrett Honor Camp

A \$40,782 grant award under the Omnibus Crime Control and Safe Streets Act will help finance a research study at the Barrett Honor Camp, 30 miles east of Lemon Grove.

The project, known as the "Impact of Significant Others on Reduction of Recidivism," was approved by the California Council on Criminal Justice, the State's agency for administering federal anti-crime programs.

Under the plan, honor camp authorities will bring "significant others" — usually members of the inmate's family — into the intensive treatment program at the camp.

James C. Reed Jr., the director of the San Diego County Honor Camps, said the resulting group therapy approach is designed to produce a "multiple impact" so that offenders will be less likely

to regress to their former behavior patterns.

"We feel very strongly that these are interrelated problems — sometimes the inmate's wife can be a major contributor to his delinquent behavior and not even realize it," Reed commented.

He said the program is based on the assumption that confinement to the honor camps constitutes a crisis experience, and that the individual inmate will be more responsive to treatment methods if he faces the crisis in the presence of "significant others."

"One of the things we are very anxious to do is to train the 'significant others' to be interventionists — that is, someone who will be able to recognize signs of pre-delinquent behavior and do something about," Reed explained.

Homeowners Petition For Street Lighting In Monterey Heights

A petition is being circulated in the Monterey Heights area by a small group of property owners in hopes that the area can be annexed to the Lemon Grove lighting district.

The group is canvassing the area in order to get at least 60% of the property owners to sign the petition so that the annexation will take place.

According to the petition, there will be no increase in taxes for the installation of the lights, and the monthly maintenance bill will add less than one dollar monthly to each homeowner's taxes.

According to Edward Finley, one of the circulators of the petition, property owners in the area are already paying part of the costs for other lighting in the district in the form of property taxes, although they are not receiving the benefits of street lights.

The plan would call for the installation of over 100 lights in the Monterey Heights area, creating a safer environment, according to Finley.

Second Campus Right On Time

All the planning is on schedule for the construction of the second campus for the Grossmont College, a spokesman for the school said last week.

A convocation was held at the school last week to explore the various educational philosophies for the proposed campus.

Chicken Battle Opens

SAN DIEGO (CNA) — Chicken ranchers have won the opening skirmish in what promises to be a long, hot battle over the control of the poultry industry in the unincorporated territory.

On Friday, the county planning commission voted unanimously to recommend against adoption of an ordinance that would halt poultry farming in ten years except in zones that specifically provide for it.

While the measure is controversial, it is mild compared to strict regulatory rules proposed to cover the operation and physical plant of legal chicken ranches.

Egg men said these rules could force from 75 to 90 percent of the ranchers out of business.

The supervisors can expect any amount of testimony that this would be a good idea when it holds its hearing on the subject at 9 a.m. on July 9.

Both ordinances were prepared at the request of Supervisor Harry Scheidle who said he regards them as a method to get discussions started.

He was right. The discussion before the commission lasted for 75 minutes and could have gone on for longer.

Commissioner Jim Martin blamed "sloppy inspection" and "weak-kneed, soft-hearted judges" for some of the controversy, which has been of long standing.

'Greatest Show' Due

For the past century, the Greatest Show on Earth has been exciting audiences with wild beasts — and 1970 is no exception.

The 100th anniversary edition of the Ringling Bros. and Barnum & Bailey Circus, which plays July 14-19 at the San Diego International Sports Arena, has several animal acts to rival the thrills of Jumbo the famous elephant and Gargantua the Great, early Circus animal acts.
